APPLICATION FOR REGISTRATION into "THE MINIATURE DONKEY REGISTRY "

REGISTRATION RULES (please read carefully and completely)

INSPECTION: Jacks and Jennets which are not out of registered parents MUST be inspected. This can be done by a veterinarian or an ADMS Inspector. Official inspection sheets and list of inspectors available from the office. Geldings do not need to be inspected. If parents are registered no inspection is necessary. However, ANIMALS SHOWING EXTREMELY Disproportional CHARACTERISTICS MAY BE REFUSED. Consultations will be done on these cases.

- HEIGHT.** Miniature donkeys are defined as members of the breed by height. The miniature donkey must be 36" or under when mature. Animals over age 3 must be accurately measured and height given on the form. (The owner is responsible for this, it does not have to be done by an inspector.) **Measure accurately from ground to highest point of the withers. We will not list increments of less than 1/8th inch.**
- PHYSICAL IDENTIFICATION.** Some form of permanent physical identification is strongly recommended by this registry. Lip or ear tattoos, brands, ear tags, electronic identification (microchips) may be used. Put any tattoos etc. under "description" on registry application.
- TRANSFERS** of ownership are accomplished by means of a form available from the registry. Follow directions on form. Original Certificate must accompany any transfer papers. \$5.00 Transfer fee for Immature, \$7.00 for mature animals. This form is not for transfer only of registered animals.
- TO REGISTER A DONKEY, THE OWNER MUST BE A MEMBER OF THE AMERICAN DONKEY AND MULE SOCIETY.** This fee is \$23 for the current year (US members, \$30 Canada/\$35 overseas) and you will receive THE BRAYER MAGAZINE and our other services.
- Fill out this application as completely as possible. If the animal's parents are not registered, give as much info about them as possible. If Unknown state UNKNOWN. We will not accept an actual birthdate for animals where the breeder and dam are both unknown. If a birthdate is given, we require at least a name/color and owner for the dam (mother) to be shown on the application.
- REGISTRATION FEES:** (You must be a paid up member to register an animal—see #4 above)
Registration of any jennet or jack \$15.00 Registration of a gelding \$5.00 Certificate/application Corrections \$5.00 (Mistake on application)
- PHOTOS & IDENTIFICATION ON THE REGISTRATION APPLICATION.** Please fill out the portion which asks for description by describing any markings which do not appear in the photos, such as "collar buttons", stars on forehead, garters (leg stripes) or other markings which may be useful for ID purposes. **ONE PHOTO OF EACH SIDE IS REQUIRED (2 total photos).** They must show color of animal & shape of Shoulder stripe. **PLEASE SEND CLEAR PHOTOS !**
- The first person to register the animal may choose the animal's name.** If the breeder wishes the animal to be named My Farm Bubba and not His Ranch Buddy, the BREEDER must be the first person to be listed as owner. If you send only this application with an animal at the time of sale, the new owner (or whomever after that sends the application in to ADMS) may use their own prefix on the application and does NOT have to use yours. See instructions on the front at the bottom edge of this form. If you are the BREEDER and want the animal to show YOU as the BREEDER and FIRST OWNER, then sold to another person, fill out both as BREEDER and OWNER and include a transfer form. Include \$20. Otherwise, we will list you as BREEDER and register the animal directly to the new person (\$15). Third-party prefix fees will be charged if the prefix rules are not followed correctly.

- Registration fee.** Jack or jennet \$15.00. Donkey gelding \$5.00.
- If you are **not a currently paid member** of the American

Donkey and Mule Society **send the \$23.00 membership fee.** (you will receive THE BRAYER MAGAZINE and other services with your membership)

7. A certificate of service (breeding certificate) must accompany the registration of any animal which is sired by a registered jack, regardless of the age of animal being registered (whether it is adult or foal) Otherwise sire will be listed only as "unverified". Certificates are available from registry office. (Change of Certificate from "unverified" to Jack will be a fee of \$7.00). If the breeder and exact birthdate of an animal are known, some form of parent identification must be given. We are unable to register an animal with Joe Smith as the Breeder but parent information listed as "unknown".

CHECKLIST – Before you mail: Make sure you are sending:

- This application. Did you keep a photocopy for yourself?
- Inspection form if needed – **and did you check the BITE on the animal? It's required!**
- TWO photos – one of each side (one left, one right).
- Registration fees.
- Are you current with ADMS?
- Additional pedigree info if applicable.
- The breeding certificate.
- Did you make sure the NAME is under 30 characters TOTAL?

PREFIXES When you register your first animal for which you choose the name, please choose a registry prefix to be permanently assigned to all of your registered animal's names. Choices are often initials, farm names or last names. This will be used to identify all of your registered animals. Please use it in the same form every time. If your prefix is ABC, do not write it A.B.C. (Using this as an example your animals would be ABC Baby, ABC Star, ABC Bubba, ABC Little Bit, etc). Nobody else will be allowed to use your designated prefix. In this way, you may choose a name you prefer for your animal without worrying about whether it has been used before. *We do not duplicate prefixes. If you request a prefix already in use, your paperwork will be held until we can contact you* There a 30-character limit on the length of name, and we ask that you try to restrict to 12 characters for new prefixes. Because we have over 50,000 registered animals, we will not register a donkey without a proper prefix. The prefix may only be your own, or that of the breeder of the animal. If a third party is involved, charges for corrections to paperwork to fit the prefix rules will apply. Applications sent in with NO PREFIX listed on the form will be held until the prefix can be provided. If in doubt or you have questions, PLEASE CALL BEFORE SENDING YOUR PAPERWORK IN.
